# SPONSORS

# -Bringing happiness to every day GIVING IS SHARING, GIVING IS CARING

Your giving partnership will provide valuable resources for our many projects. Through the dedicated efforts and the continued generosity of all our donors we are better able to meet the care needs of our community.

Your partnership can be to support a resident in our care or a lasting memorial to a loved family member or friend.

By investing in the future of Beauaraba Living, you are offering us a donation gift that will help us grow and develop. Achieving this calls for careful financial management. While the Government provides a level of funding to Beauaraba Living, this support does not cover all of the costs required to provide the best level of care and support.
